

Standard Operating Procedures 3030.2
Workforce Investment Board Definitions
February 28, 2007

I. PURPOSE

This operating procedure specifies the standard layout of the Workforce Investment Board (WIB) definitions file that will be supplied by the Local Employment Dynamics (LED) state partners for processing and production of the Quarterly Workforce Indicators (QWI).

II. NOTES

1. Failure to follow the standard file layout may reduce data quality in the final QWI.
2. Geographic updates including WIB area definitions are scheduled once a year at the beginning of the July 1 cycle.
3. Join an active listserv by visiting <http://lists.census.gov/mailman/listinfo/led-qwi>.

III. FILENAME CONVENTION

Use STWI.txt for WIB definitions where ST is the 2-character postal code for your state and WI refers to WIB definitions. For example, MTWI.txt is the file name for Montana's WIB definitions.
